

# Neurodiversity Parent and Child Workshop

Aiming for Brighter Futures

**Wednesday  
26th  
March  
1.15pm**

Dudley Parent Carer Forum is working with Dingle to host a parent and child workshop. During the session you and your child will have the chance to create a picture which will help staff to better understand your child's needs. After the session there will be time for a coffee and a chat with school staff and PCF reps. We'd love to hear more about your experiences!

**Help Dingle  
staff better  
understand  
your child's  
needs**

**Work  
together  
with your  
child**
