Friday 23rd October 2026

Dear Parents and Carers,

Today I visited Year 6 and conducted a session about growing up and personal hygiene.

All of the teaching materials used are designed for primary school study and included videos, worksheets and discussion. All aspects of the work was handled sensitively and there was an opportunity for children to ask individual questions if they wished.

I am delighted to share that each child has been donated their own wash bag containing some personal hygiene essentials (shampoo, toothbrush and toothpaste, shower gel and roll-on deodorant). We hope that they will enjoy using these products and will share their learning in class with you at home.

Further information on our curriculum and a wealth of resources can also be found on our school website, under the curriculum section.

We thank you as always for your support, if you have any queries/questions then please don't hesitate to contact me.

Wishing you a wonderful half term

Mrs J Richardson
(Deputy Headteacher)
