Year 6 PCSO Visit

Dear Parents and Carers,

Firstly, we'd like to express our thanks for your support with the many exciting events that are taking place at Dingle, presently. From cricket to swimming to our upcoming ME festival, our children are having such a wide variety of extra experiences, and we hope that they are relishing them.

As part of our PSHRE curriculum, today we were visited by our local Police Community Support Officers (PCSOs) you may remember last term they conducted a session with the children on online safety and the law around being safe on devices and the internet.

Today the focus of their session was on physical violence. They discussed the law around this area and discussed what constitutes physical violence as well as self-defence.

Our children, as always, were a credit to us and conducted themselves in a mature and sensible way, participating in some thoughtful conversations.

You may wish to discuss the key messages of the session with your children at home.

Please do not hesitate to contact me if you have any queries or questions.

Wishing you a wonderful end to the week.
