Week of January 26 - 30

Teacher's Note

Dear Parents/carers

It has been a joy to see our little learners build confidence and embrace transitions with increasing independence.

Home learning

Take inspiration from Journey by Aarron Becker and create your own fantasy world.

Practice number bonds to 10 and 20.

Practice your tricky words. See if you can remember more than your adult.

Learning Focus

• Math

Group 3 are starting their next unit of learning, measure and patterns by comparing size.

Group 2 are working hard practicing counting on from any number.

Group one are exploring how to write number to 100 in words.

• English

We are busy finishing up our work on Journey by Arron Becker. Children have worked as a team to create a word bank of adjectives, thinking about our senses and emotions.

• Phonics

It is lovely to see the children's progress in their Phonics lessons. Miss B's group are busy learning their phase 2 graphemes, while Miss Caine's and Miss Yarnall's are focused on phase 3.

Important Reminders

- We ask that children bring a labeled coat and water bottle to school daily.
- Children will be enjoying the outdoors come rain or shine. We kindly ask that children bring a pair of wellingtons to keep at school.
- Reading books are changed every Thursday.
- We are a nut free school and ask that parents do not send in items that contain nuts.

Books we have enjoyed
