NEW SLETTER

Week of February 9-13

Teacher's Note

Dear Parents/carers
Thank you to everyone who had attended parent's evening this week, it has been lovely to share your children's learning with you.

Home learning

See if you can follow instructions to make something with your adults.

See how many times you can read at home this week.

Spend time with your family over the week off.

Learning Focus

• Math

Group 3 have move on for weight and moved on to learning about capacity. All children have enjoyed filling containers in the sand tray.

Group 2 children have been blasting off into space by learning to count backwards from 10.

Group 1 following last weeks learning children have been using expanded number forms to partition two-digit numbers.

• English

Shh don't tell Ms. Heather but we have hidden a lion in the school. We have spent this week learning to write and follow instructions and have ended the week by writing our own to hide a lion in school.

• Phonics

Children in all group have been focusing on tricky words. These are words that cannot be easily decoded using common phonetic rules.

Important Reminders

- Children are to wear correct school uniform daily unless this has been arranged with Ms. Heather.
- We are a health eating school. We encourage children not to bring sweets into school.
- We are a nut free school and ask that parents do not send in items that contain nuts.

Books we have enjoyed
